

REMARKS

In the Preliminary Amendment filed with the application, claim 11 was inadvertently not amended to eliminate multiple dependent claim format. That claim is amended in this Supplemental Preliminary Amendment filed with the Response to Notice to File Missing Parts in this application. Pursuant to MPEP 607 it is respectfully submitted that no multiple or additional dependent claim fees corresponding to the originally filed claim 11 are due, and that the correct fees are for the basic filing, search and examination fees, four (4) additional dependent claims, and the Missing Parts surcharge. Fees for the Missing Parts surcharge are enclosed; the other fees have previously been paid.

Applicant believes that all pending claims are allowable and respectfully requests a Notice of Allowance for this application from the Examiner. Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,
